INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Central Ohio Youth for Christ, Inc., Subsidiaries and Affiliates

We have audited the accompanying consolidated financial statements of Central Ohio Youth for Christ, Inc. Subsidiaries and Affiliates (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, changes in consolidated unrestricted net assets, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Central Ohio Youth for Christ, Inc. Subsidiaries and Affiliates as of June 30, 2018 and 2017, and the changes in its net assets, changes in consolidated unrestricted net assets, its cash flows, and its functional expenses for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

1. Purpose of Central Ohio Youth for Christ, Inc. and Subsidiaries and Affiliates

Central Ohio Youth for Christ, Inc. (Organization) was organized in 1981 as an Ohio not-for-profit corporation to participate in the body of Christ in responsible evangelism of youth. The goal of the Organization is to present youths with the person, work and teachings of Christ, disciple them into the church, and provide meaningful and well supervised activities for young people. The Organization is a chartered affiliate of Youth for Christ, USA, with all the rights and privileges incident to that affiliation, including the receipt of tax deductible contributions as provided under Section 501 (c) (3) of the Internal Revenue Code of 1954. Youth and families are from a variety of ethnic and socio-economic backgrounds in multiple Central Ohio counties. The primary focus of the Organization is Columbus urban youth between the ages of 12 and 19.

The Organization's personnel conduct the following programs and ministries in response to the Organization's goal:

1. Purpose of Central Ohio Youth for Christ, Inc., Subsidiaries and Affiliates, continued

Parent Life: Parent Life provides educational opportunities for teens that are either pregnant or have children. Classes in parenting, relationships, and life skills are provided. The moms have the opportunity to attend a Bible study, and to be mentored. Gracehaven: Gracehaven is a program developed to eradicate domestic minor sex trafficking and to provide services to minor victims of sex trafficking. Services include prevention training for teens; intervention training for coaches, teachers, youth workers, health care workers, etc.; case management for survivors; residential services for survivors; mentoring matches and optional faith-based programs for survivors; and general advocacy.

2. Significant Accounting Policies

Basis of Reporting and Presentation

The financial statements of the Organization have been prepared on the accrual basis. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates. The significant accounting policies followed are described below to enhance the usefulness of the statements to the reader.

Principles of Consolidation

Accounting principles generally accepted in the United States of America require that an Organization and its wholly owned subsidiaries, report in a consolidated financial statement. In addition, other Organizations that are controlled by the governing board of the Organization shall be consolidated as affiliates. The consolidated financial statements include the financial statements of Central Ohio Youth for Christ, Inc., Chicago Avenue Financial Literacy Project, LLC (100% owned), WellSpring Counseling, LLC (100% owned), Youth and Family Impact, Inc. (an affiliate of Central Ohio Youth for Christ), COYFC Holdings, LLC (100% owned), HireLevel Enterprises, LLC (100% owned) and City Life Enterprises, LLC (95% owned by Central Ohio Youth for Christ). In addition, the financial statements include the financial statements of Gracehaven, Inc. which is a separate nonprofit corporation controlled by Central Ohio Youth for Christ. All significant intercompany balances and transactions have been eliminated in consolidation.

CENTRAL OHIO YOUTH FOR CHRIST, INC. AND SUBSIDIARIES
Notes to Financial Statements

2. Significant Accounting Policies, continued

Cash and Cash Equivalents and Credit Risks

The Organization considers all short-term investments with an original maturity of six months or less to be cash equivalents for purposes of the statement of cash flows. While the Organization's cash and cash equivalents may, at times, exceed federally insured limits (currently \$250,000), the Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on these accounts.

Investments

The Company classifies its marketable equity securities as "available for sale." Securities classified as "available for sale" are carried in the financial statements at fair value. Realized and unrealized gains and losses are included in earnings.

Pledges and Accounts Receivable

The Organization provides an allowance for doubtful collections which is based upon a review of outstanding receivables, historical collection information, and existing economic conditions. Normal accounts receivable are due 30-90 days after the issuance of the invoice. Amounts deemed uncollectible are written off based on individual credit evaluation and specific circumstances of the customer. The Company provides an allowance for uncollectible pledges based on historical trends of collections. Also see Note 7 related to Promises to Give and the allowance for uncollectible promises.

Inventory and Accounting Change

As a result of changes to the accounting standards, the Company adopted ASU 2015-11 (Inventory-Simplifying Measurement) which requires inventory to be measured at the lower of cost and net realizable value. The ASU defines net realizable value as the "estimated selling prices in the ordinary course of business, less reasonably predictable costs of completion, disposal and transportation". The standard is effective prospectively for annual periods beginning after December 15, 2016. This change in accounting principle had no material impact on these financial statements.

Inventory consists of automobiles, trucks, and vans donated to the Organization for use in the Wheels program. Vehicle inventory will be sold to customers "as is", repaired or refurbished in the program for resale, or sold for scrap/parts. Inventory is valued at management's estimated net realizable value based on management's historical trends of average resale amounts.

Property, Equipment, and Depreciation

Property and equipment purchased by the Organization are carried at cost or, if donated, at fair market value on the date of donation. The Organization follows the practice of capitalizing all expenditures for property and equipment over \$2,500 with a useful life in excess of one year. Property and equipment are depreciated using the straight-line method. All office furniture and equipment have been estimated to have a remaining useful life of three to fifteen years. All buildings have been estimated to have useful lives of thirty to fifty years. Expenditures for maintenance and repairs are charged to expense as incurred.

Notes to Financial Statements

2. Significant Accounting Policies, continued

Compensated Absences

Employees of the Company are entitled to paid vacation and paid sick days, depending on job classification, length of service, and other factors. Management considers it immaterial and impracticable to estimate the amount of compensation for future absences, and, accordingly, no liability has been recorded in the accompanying financial statements. The Organization's policy is to recognize the costs of compensated absence when actually paid to employees.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Net Assets

Financial statements report amounts separately by class of net assets:

- *Unrestricted net assets* represent resources over which the Board of Directors has discretionary control and are used to carry out the Organization's operations in accordance with its bylaws and exempt purposes.
- *Temporarily restricted net assets* represent funds stipulated for specific operating purposes and those not currently available for use until commitments regarding their use have been fulfilled.
- *Permanently restricted net assets* would be those contributed with donor restrictions requiring they be held in perpetuity.

Support, Revenue, and Reclassifications

Revenue is recognized when earned and support when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of other assets is transferred to the Organization. The Organization reports funds as restricted if they are received with stipulations that limit the use of the funds. When a stipulated time restriction ends or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as satisfaction of purpose restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as increases in unrestricted net assets as permitted under FAS 958-225-45-6.

Expenses

Expenses are reported when costs are incurred. The cost of providing the various program services and supporting activities has been presented on a functional basis. Accordingly, certain costs have been allocated among the program services and supporting activities benefited. Expenses are generally charged to functional departments as incurred for the various activities.

Reclassifications

Certain prior year amounts have been reclassified to conform to current year presentation.

2. Significant Accounting Policies, continued

Debt Issuance Costs

In the fiscal year ended June 30, 2017, the Organization adopted the accounting principle FASB ASU 2015-03, *Interest-Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs*, first effective for the years beginning after June 30, 2016. In accordance with this principle, the Organization reports debt issuance costs as a reduction of the carrying amount of the debt rather than as an asset. Amortization of the debt issuance costs is reported as interest expense in the statements of activities.

These students will also learn and practice life skills of customer relations, work place ethics, money management and conflict resolution. In addition, having Youth and Family Impact, Inc. as an affiliate of Central Ohio Youth for Christ, Inc. will allow segregation of support for religious purposes from that of corporate and government funded programs. During the year ended June 30, 2013, the Organization received funds designated for the improvements to real estate on Chicago Avenue, Columbus, Ohio (see Note 7). The Board segregated \$10,000 of the restricted donations (required minimum) to create an endowment fund at the Columbus Foundation. The Organization wanted to establish an endowment fund for any potential donor that might opt for this method of donation to the Organization. The endowment fund is invested in shares of mutual funds at June 30, 2018, with a 30% to 60% equity exposure. The endowment fund is not restricted as to its use other than the original donor imposed restrictions. The fund invests in short-term, liquid assets and is reported with other cash and equivalents and included as part of temporarily restricted net assets at its estimated fair market value, \$14,123 and \$13,181 as of June 30, 2018 and 2017, respectively.

6. Accounts Receivable

Accounts receivable consist of amounts due for counseling services by the Wellspring program, sales invoices due for the Promotions program, and county per diem due for Gracehaven totaling \$ 215,700 and \$298,967 for the years ended June 30, 2018 and 2017, respectively. The Organization had an allowance for doubtful accounts of \$42,984 and \$51,204 at June 30, 2018 and 2017, respectively.

7. Promises to Give

The Organization completed a "project campaign" to raise funds for a purchase and renovation of 40 Chicago Avenue and 1256 West Broad Street. The Organization received various donor intentions to give to the campaign. Generally Accepted Accounting Principles in the United States require that the Organization have documentation supporting that "intentions to give" are promises that are legally binding and include specific details of their planned contributions. The majority of campaign contributions were received by the Organization verbally and without specifics as to their intended timing of contributions. The Organization has therefore reported these contributions when received. Therefore, no promises to give have been reported in these financial statements for the "project campaign".

The Organization has periodic fundraising events referred to as "Be the Story". As part of the events during the year-ended June 30, 2018 and 2017, the Organization received various pledges from donors. As required by Generally Accepted Accounting Principles, those pledges that had documentation supporting that the "intentions to give" were promises that are legally binding and included specific details of their planned contributions were recorded as pledges receivable. For the year-ended June 30, 2018 and 2017, pledges receivable related to these events totaled \$83,922 and \$72,772, respectively. For the year-ended June 30, 2018, \$18,472 were due within less than a year and the remaining \$65,450 due within one to five years. For the year ended June 30, 2017, all pledges were due within a year. Pledges receivable with due dates beyond one year are discounted, using the average borrowing rate of the Organization (approximately 5%). The unamortized discount on promises to give at June 30, 2018 was \$10,857. The present value of these unconditional promises related to this event were \$73,065. Amortization of the discount will be reported in the Statement of Activities as interest income. Based on the historical collection trends, the Organization also recorded an allowance for uncollectable pledges of \$13,882 for net pledges receivable of \$59,183 at June 30, 2018.

During the years ended June 30, 2018 and 2017, the Organization sponsored a fundraising event titled "Over the Edge". As part of this fundraiser, participants were required to obtain specified amounts of donations. The participant agreed to pledge the minimum amount of donation before taking part in the event. At June 30, 2018 and 2017, the Organization had pledges receivable from this event of \$23,825 and \$33,428, respectively. All of these pledges are due within one year and therefore not discounted.

Total pledges receivable at June 30, 2018 and 2017, net of the amortized discount and allowance for uncollectable pledges, totaled \$83,008 and \$106,200, respectively.

8. Conditional Grants

During the years ended June 30, 2018 and 2017, the Organization was awarded reimbursable grants. All reimbursable grants require invoicing that includes documentation of allowable expenses be submitted prior to receiving payment. Because conditions for the full amount of these grants were not met in the periods awarded, only the amounts invoiced in the respective periods have been recognized as grant income in these financial statements. The amount has been reported as grant income in these financial statements.

During the year ended June 30, 2018, the Organization was awarded five reimbursable grants for the Gracehaven program and one for the Mentoring program. For the year ended June 30, 2018, the total amount of allowable expenses incurred under these reimbursable grants was \$176,159. As of June 30, 2018, \$20,005 was included in grants receivable.

During the year ended June 30, 2017, the Organization was awarded two reimbursable grants for the Gracehaven program and one for the Mentoring Program. For the year ended June 30, 2017, the total amount of allowable expenses incurred under these reimbursable grants was \$106,129. As of June 30, 2017, \$16,860 was included in grants receivable.

9. Property and Equipment

The straight-line depreciation method is used by the Organization with useful lives of buildings at 30 to 50 years, building improvements at 5 to 15 years, and fixtures, furniture and equipment ranging from 3 to 15 years. Depreciation expense for the years ending June 30, 2018 and 2017 were \$222,165 and \$215,708 respectively.

The Organization acquired a new property with a fair market value of \$597,400 during the fiscal year ended June 30, 2018 by donation. The property is not currently in use by the organization, other than occasional renting it to third parties. This donation has been reported with contributions in these financial statements.

10. Real Estate Held for Sale

In March 2017, the Organization relocated its administrative offices from a building owned by the Organization to leased office space owned by a third party (see Note 23). In April 2017, the Organization committed to a plan to sell the building located in Columbus, Ohio that previously housed the administrative offices and initiated actions to locate a buyer. The property and related accumulated depreciation have been classified as Real Estate Held for Sale as of June 30, 2018 and 2017. See Note 30 for information regarding the sale of this property.

11. Financial Restructuring

In years prior to 2013, the Organization had acquired a 37,000 square foot, four-story building and a 14,000 square foot annex building located on Chicago Avenue in Columbus, Ohio (now collectively "40 Chicago Avenue"). The Organization desired to obtain additional real estate (located at 1256 West Broad Street, Columbus, Ohio) near the Chicago Avenue location and to renovate the existing Chicago Avenue Properties (the "Project"). To facilitate the Project, the Organization underwent a financial restructuring during the year ended June 30, 2014. Total estimated funds needed to facilitate the project and financing costs were \$7,000,000.

The financial restructuring was partially facilitated by use of the new markets tax credit allowed pursuant to Section 45D of the Internal Revenue Code of 1986 (the "NMTC" program). The New Markets Tax Credit Program (NMTC Program) was established by Congress in 2000 to spur new or increased investments into operating businesses and real estate projects located in low-income communities. The NMTC Program attracts investment capital to low-income communities by permitting individual and corporate investors to receive a tax credit against their Federal income tax return in exchange for making equity investments in specialized financial institutions called Community Development Entities (CDEs).

Community Development Entities (CDEs) apply to the CDFI Fund each year not for tax credits directly, but for an award of "allocation authority"—that is, the authority to raise a certain amount of capital, or Qualified Equity Investments (QEIs) from investors. Ohio Community Development Finance Fund was the CDE for Central Ohio Youth for Christ, Inc. The CDE formed Finance Fund Management, LLC (the sub-CDE managing member) which it wholly owns for the purpose of managing the activities of the sub-CDE (see below for more information).

For the investors to be able to claim the credits over the seven-year compliance period, the CDEs must use "substantially all" ("Sub All") of the QEIs from investors to make Qualified Low Income Community Investments (QLICIs) in Qualified Active Low Income Community Businesses (QALICBs) located in Low Income Communities (LICs), all as defined in the internal revenue code and other federal guidance. The proposed Project of the Organization was qualified under the criteria of the NMTC program.

To facilitate funding under the NMTC Program, two intermediary entities were formed. COYFC Investment Fund, LLC, owned 100% by the Huntington Community Development Corporation (the Equity Investor), was formed for the purpose of collecting funding, NMTC tax credits, and executing notes to the funding sources. The entity then loans funds to the Qualified Equity Investor.

NMTC Leveraged XVII, LLC was formed as the Sub-CDE for the purpose of executing the loans to the QALICB. NMTC Leveraged XVII, LLC (the QEI, Qualified Equity Investor) is owned 99.99% by the COYFC Investment Fund, LLC and .01% by the Finance Fund Management, LLC (the QEI manager). This entity was formed for the purpose of acquiring funds and executing loans to the QALICB. City Life Enterprises, LLC, was formed as the QALICB. City Life Enterprises, LLC, is owned 95% by Central Ohio Youth for Christ, Inc. and 5% by a third party. City Life Enterprises, LLC is consolidated in these financial statements (see Notes 4, 14, 16).

CENTRAL OHIO YOUTH FOR CHRIST, INC. AND SUBSIDIARIES
Notes to Financial Statements

11. Financial Restructuring, continued

Under the NMTC program, funding for the Project to the QALICB would come from two sources: 1) the leveraged lender and 2) the NMTC equity investor. Central Ohio Youth for Christ, Inc. serves as the leveraged lender. As such, COYFC obtained loan funds from a bank and two foundations totaling \$3,810,000. COYFC loaned \$4,226,000 (including \$416,000 of its own funds) to the COYFC Investment Fund, LLC. See Note 12 for more information on these notes receivable.

The NMTC equity investor (the Huntington Community Development Corporation) then funded \$2,774,000 (based on the new market tax credits to be received by them) to the COYFC Investment Fund, LLC, to achieve the \$7,000,000 required equity investment for the Project. COYFC Investment Fund, LLC then loaned the funds to NMTC Leveraged XVII, LLC (the Sub-CDE). NMTC Leveraged XVII, LLC, (the sub-CDE) paid a required suballocation fee of \$210,000 to the CDE and executed two notes to the QALICB. These notes, identified as QLICI loan A in the amount of \$4,226,000 and QLICI loan B in the amount of \$2,564,000, totaled \$6,790,000. City Life Enterprises, LLC, then paid a fee of \$75,000 to the CDE and held the remaining funds to finance the Project.

12. Note Receivable

As part of the financial restructuring and NMTC program as described in Note 11, the Organization executed a note receivable from COYFC Investment Fund, LLC (the Investment Fund) to Central Ohio Youth for Christ, Inc. in the amount of \$4,226,000 as described below:

13. Line of Credit and Credit Cards Payable

The Organization has a line of credit with a bank for a maximum of \$20,000 that was renewed through July 2019. There were no outstanding borrowings on this line of credit. The Organization has 13 credit cards with interest rates ranging from 10.99% to 29.99%.

19. Health Reimbursement Accounts and Other Benefits

The Organization sponsors a welfare benefit program for its eligible employees that includes medical, dental, long-term disability, vision, life insurance, and short-term disability. The plan also includes a health reimbursement account and premium conversion. Under premium conversion, the employee can have funds withheld from their compensation to cover health benefit costs on a pretax basis.

On January 1, 2013, the Organization adopted a health reimbursement arrangement plan (the "Plan"). Under the Plan, eligible employees have a health reimbursement account established in their name. The employee is entitled to receive reimbursement from their account for eligible expenses (as defined by the Plan). The reimbursements are limited to the balance in the eligible employee's respective account. Under the Plan, the Organization funds an established amount to the Plan account of each eligible employee. The contributions are limited to \$3,000 per year for one covered person, \$6,000 per year for two or more covered persons. Any funds remaining at the end of the Plan year and upon termination of employment are forfeited after all claims are paid.

All expenses related to these benefits have been reported as part of personnel expenses in these financial statements and allocated to program, management, and fundraising as appropriate.

The Organization provides a housing allowance to some of its employees. This housing allowance is classified as compensation and has been reported with personnel expenses.

See Note 18 regarding donated legal services. These services met the requirements under Generally Accepted Accounting Principles in the United States of America to be recorded and are therefore reported as a donation and reported with professional services in these financial statements.

During the years ended June 30, 2018 and 2017, the Organization received donations of shares of stock. The donations were reported at their fair market value upon donation and are included in contributions in these financial statements. 25. Uncertain Tax Positions

The Financial Accounting Standards Board (FASB) has issued FASB ASC 740-10 (formerly Interpretation No. 48), Accounting for Uncertainty in Income Taxes. FASB ASC 740-10 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements in accordance with FASB ASC 740-10-125 (formerly FASB Statement No. 109) Accounting for Income Taxes. FASB ASC 740-10 also prescribes a recognition threshold and measurement standard for the financial statement recognition and measurement of an income tax position taken or expected to be taken in a tax return. In addition, FASB ASC 740-10 provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition.

The Organization treats tax positions taken using the more-likely-than-not recognition threshold. Tax positions are measured in the year that the Organization believes that the position is more-likely-than-not to be sustained. Any positions that are not expected to be sustained will be recorded as a liability. The Organization believes that none of the tax positions taken would be material to the financial statements.

Interest and penalties, if any, are included in expenses in the statements of activities. As of June 30, 2018 and 2017, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

The Organization is no longer subject to examination by the Internal Revenue Service for years prior to June 30, 2015. The Organization is not currently under audit nor has the Organization been contacted by any jurisdiction. Based on the evaluation of the Organization's tax positions, management believes all tax positions taken would be upheld under an examination. Therefore, no provision for the effects of uncertain tax positions have been recorded for the fiscal year ended June 30, 2018 and 2017.

28. Option Agreement

As part of the NMTC Program and financial restructuring, Central Ohio Youth for Christ, Inc. entered into an option agreement with the Huntington Community Development Corporation (HCDC). Whereas, HCDC is the 100% owner of the COYFC Investment Fund, LLC which is the holder of a note payable to Central Ohio Youth for Christ in the amount of \$4,226,000 as described in Notes 11 and 12. The purchase price under this Put Option is \$1,000, closing costs, and any remaining amounts due and payable to the HCDC under the unconditional guarantee by Central Ohio Youth for Christ, Inc. on the City Life Enterprises, LLC debt (the QLICI Loan B).

The Organization was assessed real estate taxes from January 2014 through June 30, 2016. The real estate is utilized for nonprofit purposes in Franklin County, Ohio. Franklin County exempts nonprofits from most of the real estate tax assessments.
