

In October Central Ohio Youth for Christ officially opened the expanded City Life Center. With an additional 36,000 feet of programming space, YFC is now able to hold new after-school programming in pottery, fitness, Audio-Visual, computer programming, and textiles. We're excited to provide even more opportunities to engage with the neighborhood youth.

Floors two and three are dedicated to The Franklinton Preparatory Academy, a public charter high school. FPA employs a blended learning approach where the best of traditional schools is interwoven with the flexibility and individuality of online schools to provide an experience tailored to the needs of the student. Now in its second year of operation, 119 Franklinton students are taking advantage of this learning experience.

We have \$1.7 million remaining to reach the expansion costs of \$7.4 million. Please contact Sara Tate at state@coyfc.org to make a gift or pledge.

"I assure you, when you did it to one of **the least** of these my brothers and sisters, **you were doing it to me!**"

Matthew 25:40

Dear YFC Friends,

As I look back to 2014, I would have to say we at YFC experienced one of the more significant years of ministry we've had in a long time.

At the beginning of the year our application for \$7 million in New Market Tax Credits was approved which allowed us to complete the 36,000 sq. ft. expansion of the City Life Center. We're so grateful that God blessed our plans to provide better educational opportunities for the neighborhood youth.

In the summer we took on the management of Gracehaven, a ministry committed to combating domestic minor sex trafficking. Gracehaven provides quality presentations and trainings to alert others to this horrible situation. We look forward to opening a residential home for trafficked girls 12-17 years old in summer 2015 – only the second of its kind in Ohio.

And God continues to empower our ministries in reaching young people with the message of grace and hope. We served 315 students through Point Break anti-bullying seminars that always inspire teens to be more empathetic. The Columbus Tutoring Initiative grew to 20 schools in 2014, and we fully expect to increase that number of 10 during 2015. And through the heartfelt sacrifice of our staff and volunteers with City Life, Campus Life and Juvenile Justice Ministry, 257 young people made decisions to begin a relationship with Christ.

I believe God will continue to bless this work as we seek to serve Him in Central Ohio. Thank you for your support as we serve together for His glory.
